RULES FOR ALL DIVISIONS

A. MINIMUM PLAY REQUIREMENTS

1. Each team's batting order will include ALL participating players for the duration of the game.
2. Teams must have a minimum of 8 players (except T-Ball and Ponytail) from the start through the end of the game. When only 8 players on a team are present and playing, an out will be recorded each time the vacant batting (9th) position is reached. Late arriving players will be added to the end of the batting order. If a player leaves the game resulting in only 8 active players, their original batting position will be considered vacant and an out will be recorded. When 9 or more players are present and playing the vacant position(s) will be skipped and an out will no longer be recorded. The start of a game is defined as the end of coaches meeting with the umpire. Less than 8 players to start the game or at any point during the game will result in a forfeit. GSLL encourages teams continue to play the game, however, the official result of the game will be a forfeit (scored 6-0). Pool Players are available for the purpose of avoiding forfeiture. See section on Pool Players.
3. Every Player present at the start of the game will participate in each game for a minimum of six (6) defensive outs and bat at least one (1) time. See Little League Regulation IV (i) for definitions. In addition to those definitions a player that plays an entire half inning that ends due to the 5 or 8 run rule will be considered 3 defensive outs. If a team has 12 or fewer players present, no player may sit out for more than 1 consecutive inning, more than 1 time within the first 3 innings and more than 2 innings per game except in the cases of illness or injury. If a team has more than 12 players present, no player may sit out for more than 2 consecutive innings except in the cases of illness or injury.
4. The Little League Age Chart for the current calendar year will be used to determine the player's age for the entire year. (For example, if the player turns 11 on January 2nd, she is little league age 10 for both Spring and Fall Seasons).

B. COACHING REGULATIONS

1. All managers are allowed a maximum of two officially registered coaches. Only registered coaches are eligible for postseason participation. The Board of Directors may allow additional League approved coaches to assist the manager. (All managers, coaches, or any other volunteers are required to complete the volunteer/background form)
 - a. One additional coach (for a total of 4) will be allowed in the Dugout in the Ponytail and T-Ball division.
 - b. Junior Coaches do not count towards the number of coaches in the dugout.
2. One coach is allowed outside the dugout during his/her defensive inning providing they are within an arm's length of the dugout door. This is a privilege, not a right and can be taken away for any reason by the umpire. No "Bucket sitting" outside the dugout.
3. It is the responsibility of the HOME team's manager (regardless of win or loss) to enter the score. The information you need to provide is the score, any pitchers you used, and the exact number of innings they pitched.
4. ANY and ALL practices on Town of Gilbert fields require approval of the Scheduling Director.

C. FIELD MAINTENANCE RESPONSIBILITIES

1. Preparation of the field shall be the responsibility of the HOME team for all games & shall be completed at least 10 minutes prior to the scheduled start of the game.
2. General post-game cleanup, including dugout, the policing of the playing field & spectator areas and storing equipment is the primary responsibility of the Visiting team.
3. Managers of all teams need to ensure that base carts, bases, pitching plates, and all other field prep equipment is removed from the field and properly stored in the equipment room when no further practice or game is occurring on the field.
4. As a courtesy to the Jr/Sr Division managers, please remove the portable pitching plate from the infield prior to their practices and games.

D. SAFETY REGULATIONS

1. All batting helmets (except in T-Ball) must have a full-face guard. It is highly recommended that T-Ball helmets also include a face guard.
2. No soft toss is allowed into the field fences on any field.
3. Only players and Coaches are allowed in the dugout or on the field during games, warm-ups, or practices of any kind. No coaches' children, siblings or friends are to be in the dugout during games. Dugout must be policed/cleaned after each game and quickly vacated for the next game.

A 3rd player with a batter's helmet and a glove shall be placed to protect the pitcher and catcher while warming up. The Pitcher shall pitch the ball towards the outfield fence, to help prevent warm up pitches from entering the field of play.
6. GSLL requires that all members of the coaching staff must submit to an annual background check. Only those who have a current(unexpired) background check will be permitted to participate in practices, field set-up and games. If you do not have a background check, you are not allowed to step onto the field when players are present.

4. Although batting helmets with attached face masks are not required at T-Ball level, they are highly recommended.
